Dear Friend of TheatreWorks Community Players,

Gracie Agnew

The TheatreWorks Community Players Board of Directors thanks you for participating in our Season Announcement Party!

Founded in 2004, TheatreWorks Community Players continue to entertain the community with a variety of shows and performances throughout the year. All those that call the Black Box home give their time, talent, and skills because of their overflowing love of TheatreWorks Community Players and the magic of live theatre. The talent of the performers amazes audience members from Martinsville City, Henry, Patrick and Franklin Counties, and beyond. Donations from Friends like you have allowed TWCP to grow from one show per season with two performances to a full season of shows running for multiple performances each.

In the absence of outside funding, we rely heavily on our individual donors, sponsors, and, of course, ticket sales to operate. Only through the continued support of those generous contributions can TheatreWorks Community Players continue to grow and bring live theatre to Martinsville and Henry County. Thanks to a grant from the Harvest Foundation, we are rebranding the theatre and renovating the Black Box Theatre Lobby. We hope you enjoy your time at the theatre.

Please consider becoming a donor, renewing your pledge, or extending your current pledge to the theatre! Many thanks to those who currently give. Your funds will assist in our mission of enriching and changing lives by engaging the people of our community in high-quality theatrical productions and life-long educational opportunities. Our next season's first production opens on July 20 and Season tickets are now available.
